Honeywell Safety Products Pricing Portal Customer Guide

Overview

Honeywell

Pricing Portal set up

- Receive Email with log In information
- Change Password

Search Types

- Item
- Brand

File Downloads

- Results Online
- Excel
- Data File (Excel)
- PDF

Pricing Portal Set Up

- You will receive an initial email with pricing portal access code.
- Click on the <u>www.hsppricing.com</u> link provided.
- Log in under <u>New Users</u> You will be asked to enter your Access Code
- Log in You will be asked to enter your username (email address) and password – Created by the you the customer.
 - Username: joe.smith@companyabc.com -(Email Address)
 - Password: "create password" (your password of choice)
- Once completed you will have access to the pricing portal and be able to:
 - Filter Search by criteria
 - Item (Part #, Keyword)
 - Brands
 - Download files
 - Data file (excel) (recommended is more column aligned)
 - Excel (more information however columns are not aligned)
 - PDF

First initial page when accessing the pricing portal

 You will be sent an email with an access code for the first initial log on. Choose New Users to enter the code provided.

Log in – Access Code

- Once you have chosen New User you will be asked to enter your access code.
- Upon log in, validate your information such as email address.
- Choose a password. You will use this password every time you log in. Remember to keep track of the password. Once you log in, the access code is no longer valid.

Returning/Existing Users

 Returning existing users: Enter your email address and password that was chosen after the initial set up.

Pricing Portal

Upon login, you will be brought to the pricing portal where your able to:

- See your current, future or past pricing depending on timing of price cycle.
- View your account information and reference documents such as the discontinued items from the previous year. You will be asked to accept any data changes.
- See your saved search filters and search by part#, brand, price min-max and categories.
- Download files such as PDF, Excel and Data File (excel recommended)

Frequently Asked Questions

- Why can't I find a certain products in the Part# or Keyword search?
 - The part number may be incorrect. Try using just the first few characters.
 - The item may be obsolete
- Are all Items in the pricing portal?
 - All Honeywell Safety Products items (for both legacy North and Sperian) are in the price portal.
- Are end user deviated pricing viewable in the price portal?
 - No. These are outside of normal distributor pricing and not viewable.
- If you have and questions or concerns using the price portal please call Customer Service. Canada (1-888-212-7233), US HSP/North (1-800-430-4110), US HSP/Sperian (1-800-430-5490).
- Will contract pricing be viewable in the price portal?
 - Contract pricing will be viewable for all items as of January 1, 2014
